Dear Hiring Professional,

I am excited to express my sincere interest in the available positions of Ushers, Guest Service, Protocol Service, and Info Desk Fleet Coordinator. I recently graduated with a Bachelor's degree in Computer Applications from MES Kalladi College, affiliated with Calicut University. Following graduation, I joined the Brototype web development bootcamp to further enhance my skills. During the bootcamp, I engaged in daily English sessions, which significantly improved my communication and interpersonal abilities, complementing my passion for people-oriented roles. Additionally, I conducted an independent survey to uncover the qualities attributed to individuals with strong social skills, providing me with invaluable insights into effective communication, empathy, and positive relationship building. My enclosed CV elaborates on my educational background, technical proficiency gained from the bootcamp, and experiences that align well with your organization's objectives. I am eager to contribute to your team and learn from experienced professionals, confident that my skills and diverse experiences will contribute to the success of the expo.

Sincerely,
Bilal Fahmi Arif
